

NORTH HIGHLANDS PARK PLANTING

Saturday 03/19

8:45am-1pm

Join the Sacramento Tree Foundation as we team up with the North Highlands Recreation and Park District to help plant trees at Larchmont Park! Planting more trees in this park will help increase the amount of shaded walkways, create more spaces to picnic under, and will help clean the air and water for years to come!

For questions, contact Rachel Patten at rachelp@sactree.org or 916-417-7139.

Sign up at bit.ly/northhighlands0319

Enter promo code "sactree" during registration to view reserved tickets.
